QUOTE OF THE DAY

“The creative process is not controlled by a switch you can simply turn on or off; it's with you all the time.” – Alvin Ailey

“Creativity is an energy. It's a precious energy, and it's something to be protected. A lot of people take for granted that they're a creative person, but I know from experience, feeling it in myself, it is a magic; it is an energy. And it can't be taken for granted.” – Ava DuVernay

“Remember upon the conduct of each depends the fate of all.” – Alexander the Great

“Trouble shared is trouble halved.” – Lee Iacocca

“People have often asked me, “If you weren't in show business, what would you be doing?” The truth is, I don't think there's anything else I could be doing, so the answer would have to be, nothing. Then again, there's nothing I love more than making people laugh, so I guess you could say I'm in the only business I could be in. I was born to enjoy life and I've always wanted everyone to enjoy it along with me.” – Tim Conway

“Explanations exist; they have existed for all times, for there is always an easy solution to every human problems — neat, plausible, and wrong.” – H. L. Mencken

“I had a stick of Carefree gum, but it didn't work. I felt pretty good while I was blowing that bubble, but as soon as the gum lost its flavor, I was back to pondering my mortality.” – Mitch Hedberg
